Pics of two hot gay guys having hot sex in the shower in a public bathroom Preview: A gay couple has found a secluded dark bathroom to have some gay sex. This time there were two guys and both of them had sex in the bath together. The two men were on holiday on the French island of Corsica and they were alone so the opportunity was perfect. One of the guys had laid down in the water to relax his back and to get a bit of a tan, but the other guy spotted it and offered him a towel to dry off. They dried off each other's backs and naked bodies and began kissing. They took off their shorts and the towel was wrapped around the second guy as he lay back. It was then that the second guy found out his friend was getting a bit of gay action from the shower and he also decided that he wanted some action as well. He got out of the bath and stood up ready for the action, which was when his friend decided he wanted to do some oral action on his friend's naked body. His friend lay down and the other guy started to pleasure him orally. It was one of those sexual moments as the two men were totally into what they were doing. The second guy enjoyed the oral action and as he moved the man over to take his cock in his mouth he continued to suck on it. The two men had a wonderful time together and were both really happy with their French vacation.
