***** This handy multi-purpose flashlight is the perfect addition to any toolshed and one of those handy tools that never leaves your side. Perfect for camping, beach and garden use. It's waterproof which is ideal when using it in the workshop. It lights up both indoors and out, creating a range of up to 40 metres. The light is battery powered so no extra power supply needed. It is perfectly suitable for both left and right handed people. It features a durable stainless steel construction which is rust proof and resistant to heat and weather. If you're looking for a durable, compact and powerful flashlight with a long reach, look no further. With this little tool you'll never have to worry about not having the right tool for the job. For those times when you're looking for something so tiny you can't even imagine carrying, look no further than the handy multi-purpose flashlight. In this example, I've chosen a 2.5 LED torch with a reflector that produces up to 40 metres of light, a wide beam radius of 112° and a throw distance of up to 18.5 metres. The dimensions are 3.8cm x 9.5cm x 1.75cm and it weighs just 42g. So go ahead, take it into your camping, caravanning, fishing or garden shed and wherever else you need one and you will know just where it is too! This is the ultra compact multi-purpose LED torch I've been looking for. It's designed to be 09e8f5149f
