Password Recovery Software For SmartFTP is a freeware utility that helps users to recover any of their lost or forgotten passwords for their SmartFTP accounts. With the help of this program, users can retrieve their lost passwords with only a few mouse clicks, without having to get through complicated recovery processes. The software is capable of retrieving passwords even if they include special characters in addition to the usual

letters and numbers. The application comes with an easy-to-use interface that makes it suitable for a wide range of users, including those who do not possess advanced computer skills. The program runs on any operating system that supports Microsoft.NET Framework (Windows XP, Vista, 7, 8, 10). 2. QuickKeyMaster - Utilities/Backup & Restore... QuickKeyMaster enables you to quickly create access passwords for your programs. This utility can
