What could be one of the games of the show, Rainbow Six Siege is getting a real-time multiplayer gameplay demo at . com. The video shows players trying to complete the game's difficult story mode, and it is currently the hardest map available in the game. There are six buildings on the map, and the player is responsible for protecting the building from attacks. While some players were trying to block the building, others were trying to attack it. This isn't the first time we've seen this demo
