This well-known book on the subject has stood the test of time for the past 35 years because of the quality of its text. It is well adapted to be a reliable source of information on how to become rich, and at the same time can be a valuable addition to everything you read on the subject. This book is not just another book that tells you to follow certain methods, which in itself is not a solution. It offers you a solution. For example, you can read books such as Counting Profits and Losses, Profitable Investing, or Prudent Asset Allocation.
