The Elder Scrolls Online is an action role-playing game where players set out on an epic quest to achieve ultimate power, and will be familiar with and can interact with the world of The Elder Scrolls series and its lore. Come, discover the Elder Scrolls Online together with your friends!

GAME DETAILS

- **Action Role-playing Game** The Elder Scrolls Online is an action role-playing game where you forge your character in real-time and fight to become an Elden Lord. Players can combine any weapon and armor they prefer to the specifications of their personalized character, and build their characters according to their play style.
- **Online Adventure with Social Networking** Players can connect through their chosen social networking site to socially experience in-game events and communicate with others.
- **Landmark Temples** The landscape of the game, including the landscapes of the mainland and Hilden, is the largest ever seen in the Elder Scrolls series. Players can explore the vast landscape, which features various landmarks to see, and battle monsters to advance.
- **Guaranteed Rich Story and In-Depth Creation** Players can create an exciting and vast story through a wide variety of quests, treasures, and lore.
- **Let Your Imagination Run Wild** A vast variety of things to explore are waiting for you to discover and do in game.
- **Free to Play and No Subscription Fees** Players can try out the free-to-play version of the game, including the basic version, and learn the game before deciding on whether to pay to enjoy the game that they want. Also, players can enjoy the game on a server without paying the monthly fee. Please visit the official website for more information. [Press Release]

■ More information at: Elder Scrolls Online is an action RPG game for players to create their own character online. The game offers players to create their own character and freely combine weapons, armor, and magic. The game also offers extensive collaboration by linking players to a large player base and providing an ongoing adventure as a result. Players can link up and play through the game together, and the experience can be shared.

■ **Official Features**

- ◆ **Action Role-playing Game** Players can control their own character and battle enemies in real-time to achieve maximum power. Players can combine weapons and armor to optimize their character, and can freely

Features Key:

THE NEW FANTASY ACTION RPG (for Wii)

Your own stats and skills are used as a basis for a completely original character generation and growth system

A dynamic adjustment between the difficulty of the fight, the player's own progression of skills, and a game system that renders the environment dynamically. The player's choice of tactics, speed, and personal strength are revealed via a player's stats, enabling exciting game play

Customize your own character as a Warrior, Mage, Ranger, Monk, or Explorer and it will be fully equipped to face all kinds of situations and overwhelming enemies

Create your own group with companions and unfold your life's story over a period of time in an epic fantasy RPG with a huge world of 0.6x3 kilometres!

Fun/Exciting online experience with asynchronous multiplayer. Fight over whom you will gather as a group and then organize play sessions with others.
