Players will also be able to control their team through the use of 4K motion-capture cameras, which provide responsive, smooth, realistic movements. This feature adds a new layer to the gameplay experience, providing amazing new authentic movements for players and opposition. A new pass motion visualization feature, built into the HUD, allows players to see information about pass movement for each player. F1 drivers will also be able to watch the engine temperatures and get vital information about the tyre pressures and brake temperatures in real time. PlayStation 4 Pro users can also use a DualShock 4 with the touchpad to control their players' movement as well as the flow of the match, and will be able to join the match together with friends and compete as a duo. For more information about all the game features included in FIFA 22, check out our FIFA 22 official website.

## **What's new in Fifa 22:**

- **New Team Management AI decides how it wants to play football. Based on the team you give it, it will employ methods designed to make you win more of the small events that count when playing real football. These methods include: playing as a counter attack system; pressing from the front; using the aerial challenge of your forward players with tight play; using midfielders intelligently; or blocking half of the opponent's team from any zone on the pitch.**
- **New Squad Management enables you to create truly custom-made teams with a high degree of control.**
- **New options for transfers, such as a player setting his own target transfer fee or allowing the manager to change if he can't raise that amount.**
- **Formations and tactics cards provide background information.**
- **In-game results table keeps you up to date.**
- **Tons of other tweaks and refinements.**

FIFA® is the #1 Electronic Sports game in the world. Since its release in September 1993, FIFA has been downloaded more than 200 million times and celebrated its 20th Anniversary in 2013. The FIFA franchise has won more than 100 video game awards since its inception and is recognized as the highest-rated sports game on the market, according to independent research conducted by Metacritic, and features players from all over the world in the Official EA SPORTS™ FIFA World Stars game which launched in 2007. Now in its 22nd year, FIFA is the premier player in football. Enjoy features and experiences that are new to the franchise, including innovations in game play, tournament and career creation, player trading and matchday football. Further enhance your experience by playing against friends in online co-op or competitive Seasons Mode, or in single-player Seasons Mode. FIFA on PlayStation Vita provides a PlayStation experience to the handheld format. Players are presented with a fully touch-enabled experience that showcases the best of FIFA on Vita, including a streamlined control scheme and streamlined menus that make it easy to access features and content on the go. This is the first time FIFA will be available on PlayStation Vita. FIFA Soccer 2014 is the official videogame of the FIFA World Cup™ and features all 32 national teams, authentic stadiums and fan chants – plus gameplay innovations in FIFA Ultimate Team™, FIFA 14 The Journey™, Seasons Mode, the vastly improved MyClub mode and much more. FIFA (or FIFA Ultimate Team™ as it's known now) offers fans a fresh take on the classic gameplay of soccer. FIFA Ultimate Team™ focuses on giving the player the tools to build their team into something truly epic. Your team of players will earn you virtual points (VPs) based on your actions within game play, including creating new players, training them, using their skills, playing matches and finding stickers. With that in mind, these tools can be used in different ways to earn VPs. More than 23 Million FIFA Ultimate Team™ players across the world use their influence to select new players, manage their team and unlock the ultimate rewards. Throughout the year, EA SPORTS™ FIFA Ultimate Team™ offers several different ways to spend your VPs to get cool rewards like new player packs, coins and many more! FIFA 14 The Journey™ takes the player on a FIFA World Tour™ around the globe. Throughout the year your journey will be filled with challenges that will test your
