Score points by heading the ball past your opponents and master new controls. PEEKABOOM CREATES FUT CHAMPIONS RUNNING WING, AIDING BURDEN, GIRL POWER, SOCCER SINNERS, MORE FIFA 20's new ultra-competitive mode, FIFA 20 FASTEST GUNNER, is now live. However, as a quick reminder, the ultra-competitive mode was originally only planned for FIFA 19 Ultimate Team. The team was excited to announce this week that this mode is now available for download on August 25th. So what are the new features of FIFA 20 FASTEST GUNNER? Below are some of the main highlights: \* Four new modes: Standard, Soccer Guilt, Be A Fút, and 2v2 (standard) \* All of the modes are playable on both FIFA 20 and FIFA 19 game modes (ex: Go To Post). The four new modes allow players to earn points on FUT Ultimate Team with their manager or give them the ability to earn points from wins against EA's AI opponent on the FIFA 20 Kick Off! game mode. \* Each mode offers a unique gameplay experience with one challenging and one more casual to pick up and play as they work on the lead. Players are encouraged to work on either the FUT or Kick Off! game modes during their downtime after achieving a victory. \* These modes can also be selected as online modes during regular gameplay. \* Earn points while you compete in the FASTEST GUNNER, and store points to add them to your FUT team. \* Earn these points by heading the ball past opponents while attempting an FUT or Kick Off! match and therefore not getting the ball past your opponent. You are awarded points when your opponent gets the ball past your goalkeeper. \* Winning a match will also award you with additional bonus points. \* You can also earn the points yourself by winning matches in FUT Ultimate Team. \* Get the best out of your current team by utilizing your coach in the FUT or Kick Off! mode to

Play The Game – Unlock new clubs and stadiums, create your own custom teams or take on your friends in single player story mode, or go online to face competition from around the globe. I’m ready. But so am I for creating clubs, putting together a squad, and taking on the opposition. The biggest challenge is choosing the best kit. I’ve seen some awesome kits this year, but I’m now faced with a new dilemma. Do I create a kit for my club based on my historical fan base or should I make a kit more like the kits used in the game? Because I’m a fan of all things Manchester United, I wanted to design a kit that would look like the kit that has been worn by the club over the years. So, I headed to the history section of the EA Sports FIFA store and spent some time looking at some of the kits that have been worn by the club over the years and chose one that I thought would be a good design. (The kit I selected is the one in this week’s kit gallery). I started with the red of the kit. I needed something that would be a good contrast to the background. I selected a plain red, but also chose a red that looked like iron. My team is all about the red shirts worn by the club, but I wanted to add a little more life and color. But the more I looked at the red, the more it seemed to lack something. I knew the answer to my question. I remembered the Manchester United kit from 1990. I remembered it because I was a fan of the New York Cosmos in the North American

**FIFA is the world's leading sports game franchise. It is in production since the early 90s with over 35 million sold. With a global fan base of over 370 million, FIFA is the most popular sports franchise of all time. EA SPORTS™ FIFA is simply what the game is all about. It is in its essence an addictive competition of skills and team work between human players in an all-round football game. One of the keys to success is to pass the ball to a teammate in a tight situation. FIFA started in early 90s as a sports simulation of football, popularised by the FIFA World Cup, but over time the game evolved into the ultimate football experience - even including innovative off-the-ball gameplay mechanics. This is what FIFA is. EA SPORTS™ FIFA is deeply rooted in every football fan's heart. It is much more than a**

**football game - it is a complete football experience. What is included in FIFA 22? Football: The game is powered by FIFA's renowned football engine, most notably the ball control, ball physics and artificial intelligence, and some of the most realistic-feeling off-the-ball gameplay in the genre. This is how you control the game - on the ball, and with the ball. And this is how FIFA is. FIFA Ultimate Team: FIFA Ultimate Team is a new way to build your dream team. Every player in FIFA 21 has his own DNA, and will have his own characteristics, but this year they are all united by three core gameplay features: FUT Draft Draft your team from the best players in real life. The new way to draft players allows you to truly pick the right combination of players. You can use your console's different control methods and play styles to draft your team and improve it through an extensive amount of player development. FIFA Ultimate Team Seasons Seasons are now available in Ultimate Team. This will be the new, exciting season pass and will offer access to the best FUT players, exciting new content, FUT Draft, enhanced gameplay and more. Player Impact and Player Intelligence: with Player Impact, the team now understands what you want and therefore automatically adapts to your play styles. This is made possible through a detailed and complete player model that includes more than 50 attributes. FIFA now offers a new way to play. Features: One of the biggest things to feature in**
