Like American coffee, there's a combination of factors that make a truly great cup (and I don't mean an American coffee), but there's no doubt that American coffee is far superior to coffee in the rest of the world. And as I've written, when it comes to the two most popular beverages in the world, there's no debate. Surprisingly, I've had a bit of a change of heart recently and have been enjoying drinking straight french 75s in lieu of a
