“WORDS CANNOT DESCRIBE THE CONTENT.” —Everyone’s favorite Elden Ring game. In this fantasy RPG, you will take control of a mighty warrior, as a leader in the Elden Ring, and fight in the Lands Between. There are two types of combat: The first is when you reach an area where your character gains an in-game boost, such as becoming strong or casting powerful magic, to fight an enemy. The second is when you send another player to defeat an enemy. Not only that, but you can also use in-game items like equipment and magic. As your strength increases, you will be able to use equipment, magical items and even main/sub characters to defeat monsters. So what awaits you? – Love and Romance

In the Lands Between, the upcoming battle will be a clash between the main characters. Their interactions will go on, with all kinds of stories and events taking

place, as they decide on their own destiny. – Epic Adventure Explore a vast world, and gain experience in a long-lasting adventure. – Dynamic Battles All the elements of combat become the source of the epic drama and the excitement of the tale. Even when you are defeated, the story will take a new turn, with more challenges awaiting you.

- 9 Worlds As you progress through the game, you will visit and explore 9 different worlds. With various types of monsters and enemies, you will encounter situations that you cannot experience in any other action RPG.

Depending on your level and your actions, you will determine the fate of the Lands Between. You are a lord in your own world, but remember that every decision has consequences! “A WORLD OF PLAY, WHERE YOU CAN BE WHATEVER YOU WANT.” —Signal’s game development team There are many playable characters in this game. Choosing them at the beginning of the game will determine your character’s growth and the story that unfolds. Even after starting the game, you will still have many possibilities as the story progresses, and your actions and choices will influence the story. – The Unbelievable World of Fantasy A world

where countless (and different) fantasy, myth, and folktales come together. The Lands Between. What lies at the end of the story

————— OVERVIEW: ► ELDEN
RING is the latest in the series of the fantasy
action RPG in which you become a hero, rise
in your quest to fight Elden Lords. ► In the
world of the Elden Ring, evil is still present,
and a conflict between the Elden Lords and
the Evil Elves is taking place. ► The main
character is starting as a beardless novice
who feels that he's unworthy and not skilled.
► As the story progresses, you will
experience a variety of emotions, your

Fri, 16 Jan 2017 12:03:01 +0000 Heroes v1.2.0 for the Sega Dreamcast Drops Today - Free Game

Those of you looking to play free games, will be interested to learn that the latest free Sega Dreamcast game out available today is Dokapon Heroes v1.2.0. Which is great news as this is one of the best Game Boy Advance games we've come across for the Sega Dreamcast.

I'll post a better screenshot of the free game once I play it, but it looks pretty nice so far, with a full section of Game Boy Advance games on the Wish List.
