The actor was present at the 71st annual Academy Awards on Feb. 26, but was cut from the broadcast, which aired on ABC. The 77-year-old British actor was spotted on the red carpet Wednesday, but by late afternoon the Academy tweeted out a statement announcing that Murray was being removed from the organization. She also talked about her longtime friendship with Murray, saying that although they started out as friends, their romance was "bad" and that "there were other men involved." She stopped short of saying anything about paid sex, and when pressed, she joked, "I think I was paid, but I can't remember exactly, so let's just call it paid." But this isn't the first time that someone in Murray's orbit has accused him of having paid for sex. In 1992, there was a similar media frenzy around actress Shawn Stevens claiming
