Half Past Disaster Soundtrack Features Key:

Victory is yours. Defeat your enemies and liberate towns in the struggle for civilizing the savage Fantasyland!

A hundred new characters.

Lots of different locations.

Dozens of amazing buildings and complex ancient engineering.

Full two-dimensional world map.

Earthly pleasures in numerous exclusive scenes.

An impressive storyline.
High quality 3D graphics.

Game description:

This time the fight for the Fantasyland zone starts again. The mystical blue flower was stolen from the stalk in the last battle. Now it lies under the hand of evil. Only one brave warrior is able to rescue it, the great Wizard Cithor. If he doesn't leave time is running out. Call yourself a wizard and help Cithor to fight in the mysterious land. The way is difficult and filled with traps. Cithor must beat all the monsters of Fantasyland. Use the help of fighting characters: nine Thief Sorcerers, four Wizard Sorcerers, four Water Wizards and four Giant Sorcerers.

In the game you have to walk through a wide range of lands, cities and towns. You must destroy the monsters and crawl through underground tunnels, caves and levels filled with dangers. Go through machines and tunnels to reach the blue flower, after which you will be able to save the world of the fantasy. Also, you must find the Golden Lion and defeat its brothers to get a special weapon - the Golden Dagger.

Destroy the Giant Hand - beware, it will drag you down into the mouth of the giant!
Use you Magic and change their fate!
