"If you enjoyed the multiplayer part of Diablo, then this is for you."-Zambezi (ZAMBOT, review) "When you have played other ARPGs, this is definitely a unique game that strives to stand out from the crowd."-Anonymous "If you like Diablo II... I'm not sure you will like this. But if you enjoy the Diablo series or you like ARPGs, I'm sure you will enjoy this."-Anonymous "A decent game on the whole, but I think I'm one of the rare few who actually didn't like its multiplayer."-Anonymous "A very ambitious title that could have been a pretty fun game to play if it was released a few years ago."-Anonymous "ARPG games in 2014 are really lacking."-Anonymous "This game is a throwback to the old ARPGs."-Anonymous "It's a real shame that the follow up to Diablo III has nothing to offer more than the experiences Diablo III offered."-Anonymous "It's a fun game, even though the story mode feels like it was made by two completely different people that got stuck together in the middle of it."-Anonymous "I thought the coolest feature of the game was the end-game multiplayer, but it was only a secondary feature at best."-Anonymous "This game is a kind of a muddled mess of ideas that ultimately don't tie together very well."-Anonymous "This game is certainly a lot of fun, but I don't think it has anywhere to grow."-Anonymous "This game has potential, but never really pulls it off as well as Diablo II."-Anonymous "I can not recommend this game as a serious RPG. But, if you're into the ARPG genre and Diablo, then this is a great game and has enough value to warrant a try."-Anonymous "It has an insanely compelling story mode with an interesting setting, strong voice acting, and fun choices. It's super short, but its content is actually substantial."-Anonymous "There's a lot of potential in the game, but its dull design and lack of content kept me from enjoying it."-Anonymous "It's fairly interesting for the first part of the story, but the lengthy ending is a disaster."-Anonymous "It's a pretty solid game, but the multiplayer is pretty mediocre."-Anonymous "It's not a bad game by any means, but it's bff6bb2d33

If your plans for the New Year included literally buying the new iPhone or iPod at the first store you came across, there's some slightly disturbing news for you.

Apple has noticed that more and more customers are choosing to shop for their iPhone 6 and iPod 5 at physical locations that aren't Apple Stores, and has decided that it needs to make a change.

According to Business Insider, Apple is moving the release date for the new iPhone -- that's expected to be the

Pre-mixing should be done a few minutes before recording and should not be done on the same day.^[@R18]^ This study should be further improved by using a different type of rubber belt, which is less likely to interfere with measurements. The different time of sampling between the two study procedures should be taken into account because the time to sample varies between the two procedures. Conclusion {#s4} ========== This study shows that within 30 seconds, the amount of shake-off following a textured or non-textured hairdryer is significantly less than the amount of shake-off occurring when using a towel. Furthermore, there is a significant correlation between the amount of shake-off at 30 seconds and the time to sample following a textured hairdryer, but not after a non-textured hairdryer. Pre-mixing hairdryers can be used to obtain a
