An augmented reality game that plays with your heart. ■ Gameplay In B-Side, a little girl named Bitty and her heart shaped friend Alice is playing hide and seek in a dream forest. ■ Characters You (the player) Bitty Alice ■ Game Play When you touch Bitty in the “here” dimension, Alice will come out of her Bitty, and when you touch Alice in the “here” dimension, Bitty will go back in to her. You can touch any character, anytime, at any time. ■ Specials Move Bitty back and forth between the “here” dimension and the “there” dimension There will be a special partner mini game where you will have to pick up special things and throw them at Bitty and Alice. When you manage to throw the “brooch” at Alice, she will go back into her Bitty, which is required for mini games. ■ Music The music that plays in the game is because of the “Dear Rose Quartet.” which is popular through the B-Side project.A locally sourced pasta, handpicked vegetables, freshly picked herbs and just the right amount of salt and pepper come together to make this pasta to die for! I was over in Italy a few years back, and this was one of my go-to restaurants. No, not the ‘it’ Italian food restaurant, but rather the best Italian food restaurant in America. No, I can’t get that to translate into English, but you get my drift. So one of the rules that I live by is if you’re going to try something and it seems good, you try it again. And guess what? It’s true with this pasta! Even though I can’t find any exact Italian translation, this pasta would be called a pasta della campagna. Italian cheese from the farm of the restaurant, locally sourced meat, onions, garlic, seasoned, and finally, just the right amount of salt and pepper for my taste. If you’re like me, you’ll have a real taste bud adventure trying out this pasta! This dish is also great to be paired with an Easy Grilled Cheese Sandwiches recipe.Malayalam film director Shaji Kailas has been booked for molesting a model, police said on Saturday, adding that other unspecified charges were
