White 2#Black 2 & White 2 We get a look at the new Battlefield 3 DLC pack, Back to Karkand, as well as Warfighter's new trailer. The battle graphics have been redone, and multiplayer is now supported. While there are no major changes to the story, Back to Karkand offers four new maps, which feature unique features such as underground passages and canals. Allied Assault will also feature a new multiplayer mode, Ghost Hill, where players must destroy their enemies' defenses before they can conduct a full assault against the opposing team. Ghost Hill can be played across any of the four new maps, and every class is available, including the medics, who can provide support by healing teammates. Battlefield 3's first DLC pack, End Game, adds nine new

---

weapons, including a new SMG. As for the single player campaign, players will once again take on the role of Jacob Taylor, who is tasked with taking down certain targets in order to destroy the Iraqi nuclear weapons program. The \$10 Premium DLC pack, Back to Karkand, will introduce a new map, Operation Firestorm. Instead of the familiar Rainbow Bridge, Operation Firestorm will put players on a new map featuring an urban-like setting, with a series of canals running through the map. Maxwell. 23 x Gold Coin Tokens
