A series of laboratory-scale experiments were conducted to examine the impact of different tube offsets on food consumption and bioaerosol

production. Plastiform tubes with three different offsets (0.0 mm, 5.0 mm, and 10.0 mm) were utilized in two lab-scale experiments designed to simulate a commercial situation. The three tube offsets were selected based on a pilot study that indicated the tube offset did not impact customer satisfaction with the product. A significant difference in food consumption was observed in the smaller tube offset condition compared to the larger tube offset condition. The smaller tube offset also led to the production of larger quantities of bioaerosol.

Q: How to install latest driver of my wireless card? I have a PCI-

Express card of Intel N 10200 PCI-E wireless device. I ran ubuntu 12.04 and I have no clue how to install the latest driver My device was working fine under linux mint 13 with atheros drivers... but my laptop is not recognising it anymore. I think I have to install some new kernel driver or something. A: Open a terminal (CTRL+ALT+t) and type in (or copy and paste) `sudo apt-get install bcmwl-kernel-source` You should be able to boot your system by typing in (or copy and paste) `sudo shutdown -r now` Hope this helps `s e c o n d d e r i v a t i v e o f - 5 1 0 * t * * 2 - 2 * t - 4 w r t t . - 1 0`
